DEDICATION

For her unfailing friendship and untiring service to the annual staffs of the past years, we wish to dedicate this volume of the BOBCAT to Miss Lydia Koester. Her years of work with the former annual staffs and with the High School students have made our annuals better and have given inspiration to all who worked with her. We salute her as a friend and as a teacher.

Administration

HUGH LEWALLEN, PRES.
C. P. ROSS, SEC'Y.

SKIDMORE-TYNAN R. H. S.

SAM A. HUDSPETH, SUPERINTENDENT
SKIDMORE, TEXAS

To all students, parents and patrons of the school:

Reflecting on our school year, I wish to thank all of you students and faculty for having accomplished more this year than anyone thought possible. There have been many honors and achievements listed this year, many of which were thought to be impossible not long ago.

Under the leadership of a fine faculty, the students of Skidmore-Tynan High School have used to the fullest extent the facilities furnished by the community through the Board of Trustees. This utilization and care of facilities along with the true sportsmanlike attitude evidenced by students have established a high reputation for the Skidmore-Tynan Schools throughout this area.

The examples set by the Senior Class have had a large effect on other students and have set standards of achievement and conduct for all to follow them.

Congratulations to you Seniors, not only for this annual, but for your other achievements this year.

Sincerely,

Sam A. Hudspeth

PRINCIPALS

One of the many pleasures connected with "school teaching" is being able to work with a group of students that show initiative, resourcefulness and are ambitious to do a good job.

You seniors, as well as the other classes in our high school, have shown the above characteristics and I am proud that I have had the opportunity to work with you and hope for you even more success in the future.

LeRoy Hoff

I wish to extend my sincere congratulations to the Senior class for this fine annual. My associations with them have been both happy and educational. My best wishes go with them into the future in which they must play an important role. They are well equipped for the task before them.

Kenneth W. Pratt

BOARD OF EDUCATION
